BIO

Dotty Scott, owner of Premium Websites Inc. and AskDotty is a web designer, social media expert, best-selling author, and speaker. She has shared the stage with Jack Canfield, Nancy Matthews, and Trish Carr.

She is in her 18th year of business and has grown her business each year.

Dotty is an award-winning website designer who listens. She goes the extra mile and always has your back!

She loves to teach small business owners how to get from where they are to where they want to be.

"I cannot say enough about Dotty's expertise and the value she provides! I always come away with action items that I am capable of implementing!"
